About Us

As stated in its vision, ATHOME FURNITURE produces home furniture to meet the needs of people living in different cultures and geographies with its unique and elegant designs. As a requirement of its mission, ATHOME Furniture offers quality, aesthetics and functionality to consumers living in different geographies by using modern technologies.

ATHOME Furniture is a company that produces and completely exports home furniture. ATHOME Furniture concentrates and specializes in the production of bedrooms, young rooms, dining rooms, beds, plinths, wall units and cloakrooms. Our company also works on projects in line with the wishes of our customers.

ATHOME Furniture production facilities are fully automated, with new generation German and Italian origin CNC machines, according to modern production techniques, production is carried out at world standards. As a result of this, ATHOME Furniture today sells to many points in more than 30 countries on different continents. The company's customer portfolio generally consists of furniture wholesalers.

DESIGN

Quality

With the slogan "Produces Happiness," our integrated, technologically advanced production facility specializes in crafting high-quality bedroom sets, dining rooms, and TV units. Our dedicated R&D team focuses on designing pieces that merge aesthetics with functionality, creating modern furnishings that seamlessly fit contemporary living spaces. At every stage of the production process, we prioritize customer satisfaction by implementing strict quality control standards and sustainable production practices.

Equipped with a robust infrastructure and state-of-the-art machinery, we guarantee both durability and elegance in every piece of furniture. Our ongoing R&D investments drive us to develop innovative solutions that set us apart, solidifying our position as a leader in the industry. Driven by our passion for excellence in production and innovation, we take pride in delivering happiness to those who seek perfection for their modern living spaces.
